HAPPY FALL EVERYONE!

Welcome to the cool crisp days, finally Fall. We have been getting the year off to a super start. Students and teachers working their way towards the end of the first quarter already.

THANK YOU!

Thank you to staff and students for their attention and cooperation during our tornado drill. Thank you parents for all of your support also.

Special thanks to our art teacher, Ms. Ewing, for all of her work with tie dying shirts for homecoming. The process went smoothly. I want to also thank the high school students for all of their help with the project.

Homecoming was fun with buttons, pep rally, cookout and parade. It was a great week along with a Tiger victory!

Thanks to the Marengo Fire Department for taking the time to meet with all our students for Fire Safety Week. Each grade attended presentations by our Marengo firemen.
