

# IOWA VALLEY elementary

IF APRIL SHOWERS BRING MAY FLOWERS -  
WE SHOULD HAVE PLENTY OF FLOWERS FOR MAY!

## welcome to spring!

Welcome to Springtime and busy time at the Elementary! School is in busy mode and the end will be here before we know it!

## activities

Included is a list of activities since there are so many! This list also went home with students. The list does not include field trips or our year end Tiger Pride Booster. Notes will be going home in regards

## summer science camp

We are happy to announce a summer Science Camp that will be held at the elementary. The camp will take place June 5-9. Notes have been sent home to register for the camp.

THANK YOU! We would like to thank Marengo Memorial Hospital for their generous donations to make this camp possible! Also, a special thank you to the Iowa County Naturalist, Genesis Salon, Iowa

## spring weather!

With the spring weather, it does become increasingly challenging to keep our students in school mode. Please continue to keep routines, check homework, and encourage your child to do their best for this last quarter of the school year!

## gym addition

The gym addition is making great progress. I have some new pictures posted on our school website (go to the Iowa Valley homepage, hover over the "District" tab and then click on "Gym Addition"). We are all excited for the gym opening! Hopefully that will be during the first quarter of next year!

## testing

Students will be wrapping up the year with our end of the year MAP and FAST testing. You will receive the results when testing is complete.

## kindergarten

We are registering for Kindergarten. If you know of any families who may have missed registration or are new to our school district – please have them contact our office.

## conferences

Thank you for all for your support at Parent-Teacher Conferences!
