

Happy April and Welcome to 4<sup>th</sup> Quarter!

We have a variety of activities going on at the elementary this month.

**April 9<sup>th</sup> is our Science Fair for families.** We wish to invite all families to participate or come and view the projects students have for exhibit.

**Kindergarten round-up is April 14.** How exciting to see our future kindergarteners experiencing a morning of activities. The Kindergarten parent informational meeting will be held on Tuesday, April 7<sup>th</sup> from 5:30 to 6:30. Tours will also be offered that evening. A reminder our kindergarteners have that day off.

**Soaring High will be April 16<sup>th</sup> in the High School Auditorium.**

**Grades 4, 5 and 6 vocal and 5-6 band have their Spring Concert April 23 in the High School auditorium.** That will begin at 7:00. The Iowa Valley Foundation will be hosting a baked potato supper before the concert in the MP room at the High School. Everyone is invited to come for an evening of food and music.

**Our 6<sup>th</sup> grade will be holding their Youth Market Place on April 28<sup>th</sup> in the afternoon in the Elementary MP room.** 6<sup>th</sup> graders have been working on their products to showcase that day.

Our school K-6 has implemented MTSS (multi-tiered systems of support) in reading. Each grade level has a blocked off 25 minute time for this instruction. Students are mixed into different small groups for their needs in reading. As a whole this has given students a chance to enrich their reading many different reading activities.

Have a Great April!
