Dear Iowa Valley Community School District Donor:

I am hopeful you are aware of the important role that Iowa Valley Community School District will play in helping others with the near completion of our new gym, lobby area, and fitness center. The furnishings of this new facility will be supported largely by the support of generous donors who contribute to our capital campaign. Our goal is \$100,000, which will allow IVCSD to continue providing much-needed services to those in our school district and community. The funds will be used to purchase the following items: lobby tables and chairs, concession stand equipment, game chairs for the gym, fitness center cardiovascular and strength conditioning equipment, flat screen messaging board, scoreboards, AED machine, volleyball standards/nets, batting machine/L screen/mats, and recognition plaques. Any amount of donation, no matter how large or small, will be cheerfully accepted.

In order to continue making a difference in the lives of individuals affected by the work of IVCSD, it is vital for our capital campaign to be a success. Can we count on you to make a donation to this important cause? By making a tax deductible donation to our capital campaign, you will be directly contributing to students and community members who will be attending physical education classes in a gym rather than a cafeteria, playing athletic events in a competition-sized gym rather than the stage of an auditorium, and remaining/becoming physically fit by using cardiovascular and strength conditioning equipment in our new fitness center. Additionally, you or your group/committee will be recognized for your generosity as a capital campaign supporter on the IVCSD website, newsletter, newspaper, and plaque located in the lobby area at the new addition with a donation of \$100 or more. Any amount will be gladly received, but recognition plaques will be mounted in the lobby area in the following categories:

- \$100-\$499
- \$500-\$999
- \$1,000-\$4,999
- \$5,000-\$9,999
- \$10,000+

We have already received our first generous donation of \$10,000 from Compass Memorial Healthcare for two new scoreboards!

The IVCSD is depending on your assistance and generosity. Please visit Iowa Valley Community School District's website at www.iowa-valley.k12.ia to learn how to make a donation or simply put your donation check, made out to Tiger Health & Fitness Capital Campaign, in an envelope addressed to:

Please be assured that your contribution will be put to good use right here in our community. If you have questions, please visit with Superintendent Donita Joens at 319-642-7714 or djoens@ivcsd.org. Thank you for your consideration and continued support of progress for our school district and community. Go Tigers!
