January 20, 2017

Dear Iowa Valley Community School District Patrons:

Our school district is distributing these “Hard Surface Roads Only” schedules as a precaution. The announcement to use the “Hard Surface Roads Only” schedule will be made in the future as weather and road conditions dictate. Please be aware of this and listen to the local media, ALERT messaging or call 319-642-7714 for announcements related to our bus routes.

When using the “Hard Surface Roads Only” schedule, students will continue to ride their regular bus with very few exceptions. Stops will be made at all regular stops on the hard surface roads and at each intersection. Specific stops and approximate times are outlined on the attached pages. In general, buses will drive to their farthest stop then proceed to school picking students up as the bus is traveling to school. In the evening, buses will drop students off as they drive away from school.

Students will not be left at a rural intersection when their ride is not present. However, drivers will allow students to walk from their particular intersection if parents send a note giving their permission. Students should give these notes to their driver during the morning route.

If you have any questions, please contact your driver, Mr. John Schnebbe (transportation director at 319-430-0192), the Elementary office at 319-642-3812, or central office at 319-642-7714.

Sincerely,

A handwritten signature in black ink that reads 'Donita L. Joens'. The signature is written in a cursive, flowing style.

Donita L. Joens  
IVCSD Superintendent

## **2016—2017 Hard Surface/Emergency Bus Routes**

### BUS #8 – JACK PATTERSON

N Ave & Hwy 6
