Welcome Back Iowa Valley Tigers!

Welcome back to the beginning of the 2018-2019 school year! I hope everyone is optimistic for a rewarding school year. Summer staff members put in many hours hoping to make the start of the school year as seamless as possible because they truly care about your child(ren). The Tiger family will be working hard to provide a positive and caring learning environment for each of its Tiger cubs throughout the entire year. Welcome back to the best year yet!

Student Registration

Student registration will continue to be online. You will find online directions on the district's website at www.iowa-valley.k12.ia.us. If you do not have access to a computer and/or internet, there will be computer stations available at the Jr./Sr. High School on Monday, August 13, from 9:00 AM – 7:00 PM.

First Day of Classes

School will begin for students on Thursday, August 23, 2018. It is always a good idea to begin planning for the earlier-than-summer wake-up hours a couple weeks before August 23. If your child(ren) having been getting up around 8:00 AM during the summer months, but need to get up at 7:00 AM during the school months, plan to have them go to bed 20 minutes early each week over a period of three weeks. That way, your child(ren) will be slowly adjusted to their new wake-up time. With planning, your child(ren) will be better prepared for a regular routine again and will have the rest they need for optimum

learning.

Notice: Corporal Punishment, Restraint, and Physical Confinement and Detention

State law forbids school employees from using corporal punishment against any student. Certain actions by school employees are not considered corporal punishment. Additionally, school employees may use “reasonable and necessary force, not designed or intended to cause pain” to do certain things, such as prevent harm to persons or property.

State law also places limits school employees’ abilities to restrain or confine

and detain any student. The law limits why, how, where, and for how long a school employee may restrain or confine and detain a child. If a child is restrained or confined and detained, the school must maintain documentation and must provide certain types of notice to the child’s parent.

If you have any questions about this state law, please contact your school. The complete text of the law and additional information is available on the Iowa Department of Education’s web site: www.iowa.gov/educate.

These services include our building staff (special education teacher, counselor, nurse, etc.) and Grant Wood Area Education Agency staff (psychologist, social worker, consultant, speech-language pathologist, occupational and physical therapist, work experience coordinators, etc.)

Teachers and families may use input on an informal basis or request formal assistance in identifying strategies to address a concern, in carrying out these strategies, or in monitoring individual student progress. These services are available for all students by teacher or parent request through the counselor at the student’s school.
