Who We Are & What We Do

The IVCS D Foundation works to provide resources that assist district personnel in expanding educational opportunities for all students.

All funds raised, gifts, and donations directly benefit the students and staff at Iowa Valley. State funding is not keeping up with the needs of the Iowa Valley School District. The following is a list of a few of the projects supported financially by the foundation:

Annual scholarships for graduating seniors pursuing higher education

Heart rate monitors for elementary physical education

Laminating machine

Welding booth equipment

Tri-golf set for elementary physical education

Stress kits

iPad Osmo started kit

Periodicals for the elementary classrooms

IVCS D Foundation is incorporated as a 501(c)(3). Donations are tax deductible to the extent allowed by law.
