

Shared Vision Goal

Superintendent Goal

The superintendent will promote the success of all students by facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community.

Measurable Progress Indicators:

- The superintendent will articulate and promote high expectations for teaching and learning.
- The superintendent will align and implement the educational programs, plans, actions, and resources with the district's vision and goals.
- The superintendent will provide leadership for major initiatives and change efforts.
